

Agenda for the digital EUTINNET network meeting on December 9th, 2020, 10:00 a.m. – 12:00 p.m.

Greeting: Dr. Kurt Anschutz (Managing Director)

Progress of the foundation, commitment to EUTINNET, 2021 focus on forming our European platform, which is necessary and forward-looking.

Short introduction (name, for which organization in what role present?)

Review 2020 – one year characterised by COVID-19 (each participant* approx. 10 min):

What consequences did the Corona pandemic have for your organisation and the projects you had planned for 2020?

- Which of your projects/offers went particularly well from your point of view, which ones presented your organisation with very special challenges?
- Where do you see fields of action for 2021 on EUTINNET level?

– Short break –

Statement Prof. Mazurek: Influence of COVID-19 on tinnitus
