

## The German Tinnitus and Hearing Foundation Charité for the third time awards its

# Research Prize „Tinnitus & Hearing“.

worth 10.000 euros, donated by Restrukturierungspartner RSP GmbH & Co. KG.

### INFORMATION FOR APPLICANTS

The prize will honour outstanding achievements in the field of cause research, early detection and therapy of tinnitus and hearing damage.

Please submit your habilitation (post-doctorale thesis) or published excellent scientific papers (both not older than two years) or presentations of planned research projects.

Applicants from the EU may apply. Papers can be submitted in German or English.

The application must be accompanied by a brief description of the work or project submitted and its relevance (max. one page). In addition, a curriculum vitae with a description of the scientific career and a list of publications must be submitted.

### APPLICATION DEADLINE: 15 SEPTEMBER 2021

The submitted papers will be reviewed and evaluated by the Foundation's Scientific Advisory Board. Its decision shall be binding and recourse to the courts is excluded.

The award winner will be presented at the 22st Tinnitus Symposium, organised by the Tinnitus Center Charité and the German Tinnitus and Hearing Foundation Charité on 4 December 2021 in Berlin. The prize winner will be given the opportunity to present his/her work.

If several authors are involved in the work, it must be clearly indicated who is applying for the award.

When applying, it must be assured that all co-authors of the submitted work agree with the application for the research prize.

Applicants confirm that they have not submitted their work for any other prize and that they will not submit their work for any other prize until the decision about the award winner has been disclosed.

Please send your application to:
